

### Sports Contests and Pageant Highlight Field Day Program at Wyndcroft School

Picking a bright, cool day for their activities, 24 Fifth and Sixth grade boys and girls of the Wyndcroft school, Rosedale drive, yesterday morning held their annual field day sports events.

Two hours later, the younger children of the Kindergarten and First, Second and Third grades, appeared in a pageant, depicting scenes from American Indian life.

The gold team beat the blue by a score of 78 to 74 and the individual winners in the sports activities were:

Running broad jump—Bonnie Ash, for the Senior girls; Patsy Evans for the Junior girls; Ted Wenrich, Senior boys; Jack Gauger, Junior boys.

STANDING BROAD jump—Bonnie Ash, Senior girls; Patsy Evans, Junior girls; Ted Wenrich, Senior boys; Jack Gauger, Junior boys.

The of war—the blue team, captained by Bill Whiteley, baseball throw—Bonnie Ash, Senior girls; Patsy Evans Junior girls, and relay race—gold team, captained by Ted Wenrich.

Sack race—blue team for the Senior girls, with Bonnie Ash as lieutenant; gold team for the Junior girls, with Doris May Perce as lieutenant.

Three-legged race—gold team, Junior girls; blue team, Senior girls; obstacle race—gold team; three-legged race for boys only—blue team; sack race for boys only—blue team, Seniors; gold team, Juniors, and relay race for boys only—blue team.

Dashes—Ted Wenrich, Senior boys; Jack Gauger, Junior boys, and baseball throw—Ted Wenrich, Senior boys.

MRS. KARL PALMER, art instructor at Wyndcroft, directed the Indian pageant, which presented folk songs and dances, as well as Indian religious rites, during the course of its 30 minutes.

The pageant was done in pantomime, except for the songs.

Mrs. Mabel D. Steele, principal, and Mrs. Angeline Oberholzer wrote the script for the action, while Mrs. Ralph Mellon was in charge of the music. Scenery was designed and constructed by the school's art class.

Those participating included:

Kindergarten—Elizabeth Gardiner, Nat LeGrande, Richard Lorah, Linda Miller, Jamie Moffat, Katherine O'Donnell, Binnie Tosher, Rosuel Tascione, Aniva Stone, Judy Berman, Michael Berger, Richard Berger, Kenneth Cox, Nancy Essenmeyer, Heidi Jouson, Patsy Keally, Patricia Piersol, Jimmie Yocum, Trudy Smith, Susan VanBuskirk, Michael Crowell, Eddie Hoover, Bobby Yoder, Bruce Gould, Steue Gross and Charles Horn.

First and Second grades—Robin Jeffries, Fay Gauger, David Hottenstein, Larry Ackerman, Jay Leblang, Aldith Rosenberry, Jacky Schneider, George Steinrock, Marjorie Perce, Judy Perce, Edwina Hartenstine, Caroline Binder, Caroline Pollock, Carol Weber, Marcia Ziegler, David Smith, Betsy Ruffin, Joan Klaz, Consuelia Crowell, Charles Marshall, George Whiteley, Fred Shade, Edwin Smith and Jay Berman.

Third grade—Barbie Perce, Judy Cochmauer, Vicky Evans, Ina Rae Filman, Nancy VanBuskirk and Alexander Seidomridge.

### Hundreds View Body Of Father Flanagan

BOYS TOWN, Neb., May 19 (AP)—The long journey home ended today for Father Flanagan when the famous priest's body was placed in state at the Dowd Memorial chapel at this haven for homeless and neglected boys.

The chapel was filled to overflowing by Boys Town residents, officials and friends as the body was brought here from an Omaha mortuary after being carried to Omaha from Berlin by air.

At the close of the war, American merchant shipping reached 37 million gross tons.

### To Nominate 'Ike' at Convention

### Man Sent to Prison By Mistake, Cleared Of Charge by Woman

PHILADELPHIA, May 19 (AP)—The man had spent two years in Prison convicted of larceny on the identification of Mrs. Areeda Woodward.

Today, Mrs. Woodward faced 35-year-old Howard Smith, a Negro, in police court and said:

"I am sorry but I made a mistake when I identified you as one of the men who took my money."

Since his conviction, Smith had steadfastly denied the charges.

Charles M. Gibbs, county prison agent, stated "we're going to take steps immediately to have Smith freed. It is clearly a case of mistaken identity."

Smith and Edward Bryanet were accused of trucking Mrs. Woodward out of \$112 in a confidence game. She identified them and both were convicted.

### Stewardess Stops Man Opening Door of Plane

OAKLAND, Calif., May 19 (AP)—An airline stewardess told police today that she twice helped stop a passenger from opening the exit door of her plane 9000 feet in the air.

Patrolman Lawrence S. Christianson, called to the airport by the United Air Lines, said the man identified himself as Philip A. Eastman, 40, Los Angeles movie cameraman. He was charged with drunkenness and released on \$10 bail.

The Stewardess, Joan Mundy, and other passengers assisted in pulling Eastman from the plane's door. "I just had a haywire idea," was the only comment attributed to Eastman.

He boarded the plane at Burbank en route to Boise, Idaho.

**Speedy Action Needed**  
SPEEDY action is needed to eliminate the health and life hazard that exists in that huge puddle along North Keim street, near the Hillcrest development.  
Parents certainly have taken years off their lives worrying that their children might drown in that stagnant water collector. A pool five feet deep is a hazard anywhere. Close to a housing development, it becomes more hazardous.  
Now that the hazard has been publicized, the interested persons should move speedily to eliminate the danger. There must be a way of draining the pool. If it can't be drained, it should be fenced or walled in.

At the same time, borough officials should be reminded that residents of South Washington street still are anxious to see a health hazard eliminated there. It is Hubley's run, that filthy stream that throws off such noxious odors . . . and which will become more repulsive as the weather becomes warmer.

The borough has been wrestling with this hazard for years. A solution point seems to be reached, then all is forgotten once more.  
Now the Board of Health has promised action. Borough council has taken cognizance of the evil.  
Why not have both these bodies get together, declare it a detriment of life and health, and have it eliminated?

**Portrait in Cybernetics**  
A NEW scientific method called cybernetics has been announced, the purpose of which is to help people to be as smart as they are able. The method consists of discovering the speeds at which they do certain things best, and then letting them do them that way.  
In case anyone is interested in getting the best out of us—here are a few suggestions about how we operate, cybernetically speaking. Our top speed is reserved for trying tests. Thinking about it only leads to indecision and a sense of inadequacy, for no man really knows how to tie a tie; he only knows how his fingers feel when he is going about it properly. The only way to tie a tie is to plunge in and get it over with before there is time for thought. The messes men make of ties when they get to thinking about how to do it while they are doing it are pathetic.  
Our next fastest speed is for decisions whether to go out or spend the evening quietly at home. After 40, the man who does not decide instantaneously to go out will be found at home throughout the evening. Middle speed is for things that look important at the time but aren't really, like catching one streetcar instead of another, or cramming in just one more sight on a vacation day. Next-lowest speed is for fishing, since biting is something fish do best in their own good time.  
Our lowest speed is allocated to snap judgments, which are so nearly always wrong to begin with that we work best by subjecting them to deep and prolonged suspicion.  
And how are your cybernetics?

**Political and Housing Note**  
POLITICS is undergoing more changes than many people have time to take note of in this busy world, and we don't recall having seen an adequate discussion of the log cabin situation anywhere.  
There have been some changes made. Up to almost the present, candidates could document their claims to being men of the people by having been born in log cabins. It ingratiated them with the voters.  
Almost overnight, having been born in a log cabin no longer stamps a candidate as a man of the people. It now marks him as one of the bloated rich. It incites some several millions of the electorate to envy and hostility.  
In the future, candidates who wish to prove the earthiness of their democracy by the circumstances of their birth will need to have been born in uneaten chicken houses, for there's going to be plenty of competition by people who were.

**Eisenhower As Running Mat**  
IN spite of his disavowals, General Eisenhower remains a top political threat, look for a campaign to persuade him to accept second place on the GOP ticket—to take him away from the Democrats.

**By MERCURY READERS**  
**Keep Out of Real Estate Market**  
To the Editor: Your editorial of May 17, 1948 on the purchasing of the old opera house by the borough suggests that the borough go into the real estate business. You think it such a bargain that the borough should buy it so the speculators, as you call them, can't get it. This move on the part of the borough would place it in the real estate business and in the class of a speculator.  
I don't believe the people of Pottstown would like this.

At the price the borough would pay, the opera house would be a white elephant that would eat more money than it would ever be worth.  
I agree that we should have a community center and the borough should have room to expand its administrative offices, but why should the borough buy more real estate? It already has sufficient ground upon which it could erect a building large enough to house all present and future administrative offices, a community center and facilities for many other phases of community activity.  
The borough could plan a new structure, to be built over a period of years, on the site on which the present city hall stands. A modern, functional structure could be built on the rear of the present city hall and, sometime in the future, the old obsolete city hall could be replaced by a unit, completing a beautiful building of which we could be proud.  
I say, use to advantage the land now owned. But whatever the borough sees fit to do, I hope it will be done on the basis of long-range planning.

Pottstown BILL REED  
**Don't Toss Away Good Will**  
To the Editor: I have read an article in The Pottstown Mercury dated May 13, 1948 by Ray Tucker referring to the margin price trend. I hope that the manufacturers of oleo are not going to be like a lot of other manufacturers and businessmen that said if controls are removed we will hold the price level.  
Did they prove to be men of their word?

I hope the oleo manufacturers and dealers will show their appreciation and hold the respect of the American housewives who are making this change possible by spending their time and money writing to their senators and congressmen at Washington to remove the unfair taxes. Or are they going to get that greedy lure like the rest of them? Maybe some day they will want another favor done by the housewives of this country.  
Vernfield W. H. E.

**Someone Stole a Fire**  
To the Editor: What's all this business about someone at a Limerick fire swinging an axe like an Irishman wielding a shillelagh? They got the fire out, didn't they? That should be all that matters.  
It looks to me like someone stole someone else's fire and they're peevish about it. Seems as if we'll have to put fires in the realm of public domain—first one there gets the chance to put them out.

To the Editor: I've been living around this town longer than some of you whippersnappers. And you can't fool me! When I read in The Mercury that our police committee planned to present council with a program of traffic reforms, I turned to the comic page.  
We've been dodging pedestrians with our cars and have been getting our fenders brushed for a long time now. Reforms? Phooey! I won't live to see the day.  
Pottstown OLD-TIMER

**Ingredients of Margarine**  
To the Editor: I had hoped that other housewives troubled by the question, "What is oleo?" would have raised the issue of making it compulsory to state the ingredients of the product on the package. As far as I have been able to learn, oleo can be made of anything from peanut oil, cottonseed oil, soybean oil and coconut oil to animal fat.  
I have never found a package of oleo which stated what kind of fat it was compounded of. Most of them merely say "vegetable fats."  
I cannot understand how it is that we have no way of finding out what kind of oil we are feeding to our families. I would prefer to purchase a product of soybean oil than any of the others, knowing the valuable nutritional effects this product has.  
I had said there would be some variation along this line while the matter was before Congress.

**INTERPRETIVE**  
**Russia Has Only to Prove Its Words Asking Peace**  
By J. M. ROBERTS, JR.  
(AP Foreign Affairs Analyst)

THE UNITED STATES has called upon Soviet Russia to "put up or shut up" with regard to Kremlin protestations of peaceful intent.  
All that's necessary for peace is peace, says Secretary Marshall. Russia's sincerity can be proved by Russian co-operation.  
Russia's reply, with the Tass News agency now carrying the ball for Stalin and Molotov, is that Russia is doing all right and willing to negotiate (if, presumably, the U. S. will forget the principles it has been upholding for the last two years), and anyway, why can't we Americans be as amenable as we were during the war—when we were paying for their aid against Germany and Japan and naively hoping that we were buying their postwar co-operation.

This whole Russian-American exchange was begun by the U. S. May 4 with a warning statement which, however, contained a loophole through which Molotov drove a two-horse wagon-load of propaganda. It has now deteriorated into a name-calling contest. Marshall made a considerable understatement when he said it was not helping Soviet-American relations.  
THE AMERICAN position is clear. Soviet Russia can come into the United Nations, into the Berlin and Vienna Control Councils, into the Council of Foreign Ministers, get down to work on something like an agreeable basis, and she will be met by men of goodwill.  
But, both before and after, her actions must conform to her words if any faith is to be placed in her sincerity.  
And American officials are always conscious of the fact that this cannot happen until Communists forget the words of Lenin that the Soviet government must triumph in every advanced country in the world; until Russia's imperialists forget the territorial ambitions of the czars.

Until then negotiations may be kept open, but until then they will be futile.  
Almost simultaneously with Premier Stalin's statement this week that Russia is willing to negotiate, his emissaries to the United Nations were giving a perfect example of what Russia considers negotiation.  
Mr. Gromyko and the delegate from the Soviet Ukraine (who, incidentally, has no more right to sit at the U. N. than would a delegate from Alaska), wanted to negotiate too. They argued strongly and voted against the majority decision to call off the 23-month old effort for international control of atomic weapons. They wouldn't agree to anything the other nine commission members wanted, and they promised never to agree, but nevertheless they wanted to negotiate.

THAT IS TYPICAL of the entire Russian attitude since the war. During the war, while Britain and the United States were furnishing one fifth of all the war supplies Russia used, the Kremlin made agreements and kept them to the letter. But the Soviets have violated their pre-war and postwar covenants with a cynicism rarely witnessed in modern history. Even when these agreements have been made by our agreeing with Russia rather than through concessions on her part.

Other nations at Lake Success have become convinced that Russia does not want any agreement on atomic control, except on terms which it would be childishly foolish for others to accept.  
The terms for an end to the cold war are the same.  
What Mr. Stalin wants is for the west to stop fighting.  
Seven times since the war Stalin has issued statements containing conciliatory phrases. Not once have any of these statements been followed by any change in Russian actions. It would even seem at times (if you didn't know that nobody gets out of step in the Russian dictatorship) that Stalin was completely out of step with the Molotov-Beria-Zhdanov clique which has gone right ahead using bluster and terror in their empire expansion program.  
But they all like to negotiate.

**The Worry Clinic**  
By DR. GEORGE W. CRANE  
NEWTON F. 32, is an energetic Sunday school superintendent.  
"Dr. Crane, can you give me some advice by which we can increase the enrollment in our Sunday school?" he asked seriously.  
"Last year in our particular denomination the registration dropped by nearly 40,000 despite the fact that the general population was increasing. And several other denominations are facing the same crisis."  
"If we don't recruit children and young people, educate them in morality and Christian citizenship, and then bring them into active church membership, our American churches will crumble and decay in another generation."  
"If our Sunday Schools continue to decline, we'll be lucky to have even 40% of our population in the churches a generation hence."  
"So what can we do about this grave problem, Dr. Crane?"  
BISHOP G. BROMLEY OXNAM recently said that today in America \$2.5% belong to church. At the time of the Spanish-American War the figure was only 28% and in Colonial days but 5%. So we should rejoice at the good progress already made.  
Our churches are the greatest protectors of this American Republic and almost the sole custodians of idealism and morality. When their influence begins to wane, however, then communism or dictatorship will flourish.  
Since morality and integrity depend on habits taught to children, then all intelligent patriots should get behind the Sunday schools.  
The quickest road to the rotten political system of New is over the crumbling ruins of a dying church. The persecutions by Hitler used to be the rule instead of the exception!  
Some so-called Christians are of the unstable sort who think that shouting and platform demagoguery, club public prayers and emotional effervescence constitute religion.  
Many of these volatile people are simply compensating for being filled in love or for being emotionally maladjusted in some other respect.  
Religion can stand up and defend itself as logically as the public school system without having to hide behind emotional platitudes.

**Hollywood**  
By EDITH GWYNN  
HOLLYWOOD, May 19—It's supposed to be very hush-hush until "My Dear Secretary" is finished, but who are we to keep a scoop of general national interest (aside from its tie-in with a movie) a secret? It's this: You may remember that a few weeks ago a mysterious hunk of something was delivered to Los Angeles under armed guard and sent to the R. K. O. studio for use in the aforementioned picture. Much publicity at the time said that the contents of that shipment would be an utter mystery until the film was finished, at which time the surprise would be unveiled on celluloid. The sets where the "mysterious gadget" is being used, have also been kept under armed guard, the members of the cast sworn to secrecy about the thing, and NO outsiders have been permitted near those sets while those connected with the movie were working with the big surprise. Well, it is this: A new typewriter, being brought out by Remington-Rand, that will revolutionize the typewriter industry. Over a quarter of a million will be spent on a huge campaign to exploit it, along with the release of "My Dear Secretary" in which it will be used for the very first time . . . We hope that Lorraine Day, Keenan Wynn, in fact no one at R.K.O. takes the rap for this leak—for it came to us from a completely outside source.

**GREER GARRISON** had Virginia Bruce and Paul Hesse, Connie Moore, the Louis Jourdan, Eddie Robinson, Norma Shearer and Marty Arrouge and a few others in to dinner and out to that art exhibition of Anna Enters. Norma was all done up in just part of her new Jacques Fath wardrobe and looked stunning at Mocambo where the whole party wound up later. Jourdan and Jean Pierreumont, rudely jabbering away in French all evening, didn't impress anyone—just irritated 'em. . . Peggy Lee just about our favorite thrush, there, looking lovely with her hair darkened a bit, told us a sweltering line she'd read somewhere, to wit: "There are two kinds of people in the world—those who do things, and those who get the credit for them. It's better, if possible, to belong to the first group."

So far, no success. Now they may have a national contest after Johnny's last Tarzan is released all over the U. S.

Mme. Frances Alda, for 20 years one of the outstanding stars of the Metropolitan Opera company in one of its most brilliant periods, now imparts her musical knowledge to students at her New York studio. Mme. Alda was born Frances Davis in Christ church, New Zealand, and at the age of 17 was singing with a Gilbert and Sullivan repertory company in Melbourne, Australia. Mme. Alda was given a Metropolitan contract in 1908, after successes in Paris, London and Milan. In 1928 Mme. Alda retired from opera. She starred thereafter in a number of sponsored radio programs, and in 1937 published her memoirs, "Men, Women and Tenors."  
Named to direct the European Recovery Program or Marshall Plan, now the Economic Co-operation Administration, Paul G. Hoffman of South Bend, Ind., needs all his administrative business ability to handle the matter, as it is conceded to be a "tough job." Paul Hoffman was born in Chicago 56 years ago. He attended the University of Chicago for a year, then left and became an auto salesman—selling is his business. Serving two years in the field artillery of World War I, he went back to Los Angeles and headed an auto agency. He is now president of the manufacturing organization whose autos he once sold.

**YOUR HEALTH**  
By HERMAN N. BUNDESEN, M. D.  
MANY skin rashes are accompanied by itching. For the patient, this may be the most troublesome symptom. Furthermore, itching presents a problem for the doctor because the scratching which it causes often further irritates the skin and brings about serious complications in the way of a secondary infection with germs.  
The fact that hives or urticaria—an allergic disorder due to sensitivity to certain foods or drugs—itches almost unbearably has given rise to a series of studies which may result in a new remedy against the itching of other types of skin rashes.  
Allergic patients develop large amounts of a drug called histamine in the blood and tissues. Normally present in the body in very small quantities, it increases markedly during an allergic attack. Thus an effort has been made to discover drugs which will combat or get rid of this histamine. Two such preparations are pyribenzamine and benadryl. They are called anti-histamine drugs.  
When used in the treatment of hives, it was found that they relieved the itching completely in about three out of four cases and also speeded up the cure of the rash.  
This led to the trial of pyribenzamine in other skin disorders that are accompanied by itching. While less effective here than in hives, nevertheless it brought relief in one-third of the cases of eczema in which it was tried when used together with local applications to the skin. In eczema of babies, there was some decrease in the itching in about four out of ten instances.  
When the pyribenzamine does not work, benadryl should be tried because, in some cases, often when one of these drugs does not help, the other may be effective.  
Pyribenzamine is also useful in the itching around the lower opening of the bowel, as well as in a type of skin inflammation known as seborrheic dermatitis in which there is a scaly eruption, and in skin inflammation due to contact with irritating substances known as contact dermatitis.  
Of course these anti-histamine drugs may be used together with local treatment of the skin rash.

SALE — Those red "Buddy" popples, sold around Memorial Day to aid disabled veterans in hospitals, are making their appearance in Pottstowners' laps. They'll be sold in force starting Saturday, but some early birds already are displaying them . . . Chain stores now control more than 20 percent of the volume of retail business in the US, reports the World Book encyclopedia . . . The female form is growing bigger: During the past century, women have been growing taller at the rate of approximately one centimeter every 12½ years. Modern women are 7 percent heavier, 7 percent taller, 5 percent larger in the bust, 10 percent larger around the waist and 3 percent larger around the hips than the girls of 1850.

**BULLETIN** — Stanley "Steve" Chaplin, the proprietor of the Shuler House, got a laugh out of a bulletin sent to him by a hotelmen's association. But it's pretty serious, if you consider it rightly. The following instructions are posted for guests who like to smoke in bed: "Call the office and notify the management where you wish your remains sent as it's a matter of record that a very high percentage of hotel fires are caused by this practice. Notify guests in adjoining rooms of your intention of endangering their lives. Go to the corridor and locate the nearest fire escape so that if you're fortunate to get out of your room you'll be able to reach safety. Now sit down and think how foolish it is to take this risk—and enjoy your smoke while you're thinking it over. Business is good but we don't have guests to burn. Help us protect you."

**SERIOUS STUFF** — It's an unwise parent who ridicules Junior's "puppy love" affair, according to Dr. Ernest G. Osborne, Columbia University professor. Dr. Osborne explodes the myth that adolescent friendships between members of the opposite sex should be treated as unimportant or humorous by parents and other adults. "Friendships of the kind that lead to marriage may develop between boys and girls all through the adolescent period," explains Dr. Osborne. "It is true that settling of affection too early on one person may be unwise. It may keep a boy and a girl from meeting others of the opposite sex, and may stand in the way of a complete understanding of what a relationship between a man and a woman can mean." However, Dr. Osborne's article points out that adolescent friendships can be of great help in developing mature social, mental and emotional qualities in the individual.

**NO GO** — The Mercury's editorial the other day on how hard it was to down the rumor that the US had published a volume on "The Love Life of a Bullfrog" led R. B. T. to comment on another perennial. "Someone again has started the rumor that if you save the red cellophane tabs from cigarette packs a wounded veteran will get an artificial leg. It isn't true! All the cigarette manufacturers have done everything they can to stop the circulation of this report, but it still persists. The tabs have no redemption value! There is no reason to save them! Maybe this will stop the rumor."

**ANSWER** — Maybe you've noticed that old-fashioned cigarette paper holder at your favorite shophouse parlor. It still holds "Zag-Zag" papers. The kind some of us used for rolling our own 25 years ago. So this column inquired about them. The answer? Sale of cigarette papers is booming! That means two things, said the proprietor, money is becoming tighter and the new price hikes were too much, so there's a swing to rolling your own.

**Duff Stays Execution Of Philadelphia Slayer**

HARRISBURG, May 19 (AP) — Gov. James H. Duff today stayed the execution of Aaron Turner, Philadelphia slayer, until the week beginning Monday, June 21.

Turner's electrocution had been set for Monday, May 24, but the governor granted the additional time to give Turner's attorneys a chance to make a final appeal to the U. S. Supreme court.

Turner and a second man, Jasper Johnson, were convicted of the first degree murder of Frank Endres and Charles Simmons, in Philadelphia, December, 1945.

The two men were accused of striking their victims over the head with a sashweight during a robbery of a broom factory operated by Simmons and employing Endres.

## Union Not Liable For Lost Earnings, NLRB Agent Rules

WASHINGTON, May 19 (AP) — A National Labor Relations board examiner refused today to make a striking union pay non-strikers the wages they lost because picketing kept them from their jobs.

The ruling is the first by an NLRB examiner on the question. The five-man board itself has not passed on it.

The examiner, William F. Scharnikow, found that a group of non-strikers had been turned away from the Colonial Hardwood Flooring company plant at Hagerstown, Md., the past October by physical assaults and threats of union officials and pickets during a strike.

The unions involved were the United Furniture Workers of America (CIO) and its Local No. 472.

A CLAIM THAT the two unions should be required to pay the non-strikers for the wages they lost was made in the case by aides of NLRB General Counsel Robert N. Denham.

It was argued that when an employer fires a worker for union activity or some other reason in violation of the labor relations laws the NLRB makes the employer take the worker back and reimburse him for lost wages.

Denham's office argued that on this principle a picketing union should be made to pay lost wages to workers turned back from their jobs.

SCHARNIKOW, WHILE holding that the furniture workers and its local violated the Taft-Hartley act by picketing, violence and threats, said any workers excluded from the struck plant could obtain entry with police protection.

"The position of employees restrained by a labor organization from working in a struck plant is not at all comparable to that of employees discriminatorily discharged by their employer," Scharnikow said.

"Discriminatory discharge clearly operates as a continuing exclusion from further employment by the particular employer with a resulting loss in earnings."

"However, employees physically excluded from work by a labor organization may immediately secure entrance to the plant with such protection as may be needed, through the police."

"There is, therefore, no urgent policy requirement, as in the discrimination cases, that they be indemnified by the labor organization as would warrant the board's undertaking the complex determination of whether there was a continuing loss of earnings attributable to the labor organization action and, if so, the extent thereof."

## Sports Budget Adopted By Doehler Benefit Group

A sports budget was adopted by 14 members of the Doehler Mutual Employees' Benefit association, at their meeting in the group's conference room last night.

The figure to be set aside for basketball, baseball and bowling activities was not made public.

Harold LeBaron, association president, was in charge of the meeting.

## Royal Measles

Princess Margaret Rose (above) has come down with measles, Buckingham palace said yesterday. The princess, 17, contracted the disease at Balmoral, Scotland.

## Borough Briefs

Justice of the Peace Richard H. Cadmus, of the Seventh ward, will send a summons to John E. Kirkhoff, 717 North Charlotte street, for an alleged violation of the motor vehicle code.

Kirkhoff is charged by Sgt. Daniel J. Linton with traveling east on West High street from Penn Village to the Colebrookdale bridge at no less than 65 miles an hour. He was arrested at 3:16 o'clock the past Saturday morning.

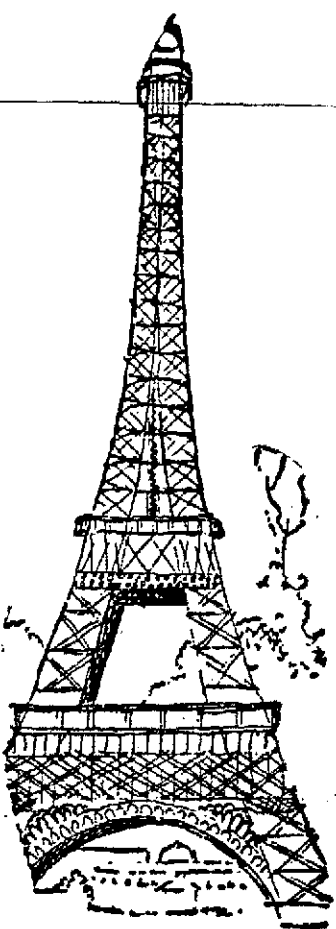

## FRESH BLOOD A MUST FOR FREE ENERGY

Do you feel like you are tied to a drag every time you try to do something? If so, don't let a low blood count hold you down when you may release vibrant energy to every muscle, fibre, cell. Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease. To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients. Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

### Ford Post Office To Get Extra Help; Examination Listed

An examination for substitute clerk-carrier for duty at the Roversford post office was announced yesterday by the director, Third U. S. Civil Service region.

Substitutes start at \$1.04 per hour, while regular employees are paid from \$2.100 to \$3.100 per year. Applicants must actually reside within the delivery of the post office or be bona-fide patrons of such office. Persons now employed in the post office will be considered bona-fide patrons.

There are no experience requirements needed for this position. All applicants will be required to take a written examination. Because the use of motor vehicles is required in city-delivery service, no person will be appointed as substitute city carrier who does not drive an automobile.

APPLICANTS MUST have reached their 18th birthday but not have passed their 50th birthday on the closing date for acceptance of applications and must be citizens of or owe allegiance to the United States. The age limits will be waived for veteran preference applicants.

Applicants for this examination must be on file with the Director, Third U. S. Civil Service region, Room 103-A, Custom house, Philadelphia, Pa., not later than the close of business June 3, 1948.

Interested persons may obtain further information and the necessary application form from the commission's local secretary, Charles Matthews, Roversford post office, or from the director, Room 103-A, Custom house, Second and Chestnut streets, Philadelphia.

### Physician Outlines Program of Cancer Clinic at Hospital

The Woman's club of Royersford heard Dr. R. K. Glocker, a Roversford physician, in an interesting address on the Cancer clinic at its May meeting yesterday afternoon in the Reformed church social hall.

In his talk, accompanied by a film on Cancer, Dr. Glocker told the clubwomen that cancer is not a disease but a symptom of a disease. It is not judged by its fine homes, but by their hospital facilities. He cited the Pottstown hospital, which he said has many clinics, the newest one among them being the Cancer clinic.

Dr. Glocker declared cancer in its early stages is curable, as he outlined the three types of the clinic: cancer's detection, detection and treatment and research work. He reminded the group, "Do not be neglectful, as we now have the means of detection."

The Rev. Charles W. Jared, Pugh-town, also gave a talk on "Psychanalysis."

MEMBERS OF THE Women's Library club of Spring City were guests for the program, which also included music by several members of Royersford high school band, directed by Miss Alice Schimpf.

A trumpet trio composed of Robert Wanner, Harold Good and Robert Kelter, gave "Rhapsody Caprice," accompanied by Janet Berleto, Wesley Diemer and Elwood Place played a sliding trombone duet, "Believe Me If All Those Endearing Young Charms."

New officers of the club were installed during the business session by Mrs. Francis S. Ferris, president of Montgomery county federation. Mrs. Paul S. Krasley, a past president, presented Mrs. Charles F. Thompson, retiring president, with the past president's pin, as Mrs. Thompson turned the gavel over to Mrs. William Wolfe, new president.

THE CLUB ALSO acknowledged an invitation to attend a Flag Day luncheon in the ball room of the Bellevue-Stratford hotel, Philadelphia, Friday, June 12, at 12:30 o'clock, reservations to be made with Mrs. Thompson. Mrs. John L. Whitehurst, past president of the General Federation, and Edgar A. Guest, a distinguished poet, will be the speakers.

Mrs. Carl B. Merz gave report of a recent International relations meeting, and Mrs. Fred O. Heller, membership committee chairman, reported one new member, Mrs. Louis Papiano.

The club voted donations to the Cancer fund and Friendship Community ambulance fund.

### Community Ambulance Makes Two Hospital Calls

Royersford's Friendship Community ambulance responded to two more calls yesterday.

Mrs. Assaway Sell, 928 Walnut street, was removed to Sacred Heart hospital, Norristown, after which the ambulance was summoned to Phoenixville hospital. Mrs. Annie DeWalt, 423 Church street, Royersford, was brought home from the latter hospital.

The ambulance was driven by Carl Clemens, with Richard Bennet as assistant.

### Birthday Parties Planned By Vincent Lodge

Vincent lodge 162 IOOF will have its weekly meeting tonight at 8 o'clock in Odd Fellows temple, Spring City, with the acceptance of membership applications as one of the items of business.

The entertainment and social committees, headed by William I. Merkey and William H. Frick announced several surprise and birthday parties have been planned for the near future.

The walls of many residences and public buildings in Buenos Aires and other Argentine cities are covered with multi-colored glazed tiles.

### MEETINGS

The Ladies' auxiliary of Walter Caffrey American Legion post, Spring City, will meet tonight at 8 o'clock in the post home.

### DEATHS - FUNERALS

Funeral services for MRS. EVA A. YOUNG, widow of John B. Young, who died at the home of her son, Dr. Barton R. Young, ELKINS PARK, were conducted in a funeral home at 331 New street, Spring City, yesterday afternoon at 2 o'clock by the Rev. Paul E. Baer. Interment was made in Fernwood cemetery.

Bearers were John and Roscoe Rogers, Leon Mayer, Leon Gregoire, Clarence Epright and Abram Gotsals.

### Hospital Notes

Mrs. Charles Shaner and Ralph Eachus, Royersford, have been admitted to Phoenixville hospital.

TEACHER, 40 YEARS, DIES EASTON, May 19 (AP)—Mrs. Carrie E. Hulsizer, 75, teacher in Easton schools for 40 years, died today. She retired in 1939.

Costa Rica spends nearly 15 percent of its national income on education.

### STUDENT BREAKS ARM

Janet Slaughter, 15-year old daughter of Mr. and Mrs. Jefferson Slaughter, 143 Hall street, Spring City, broke her left arm at the wrist Tuesday while engaged in a practice game of softball at school. The fracture was reduced by Dr. J. E. P. Burns.

### Miss Barbara Breidegam To Take Vows Saturday

Miss Barbara Jean Breidegam, daughter of Mr. and Mrs. L. R. Breidegam, 438 Walnut street, Royersford, will become the bride of Robert J. Hassinger, son of Mrs. Stella Hassinger, Plymouth Meeting, in Royersford Grace Lutheran church Saturday afternoon at 3 o'clock, with the Rev. Paul J. Henry, pastor, officiating.

### Graduation Events At Warwick High Set for Next Week

The two most important events in a high school senior's life, baccalaureate services and commencement, will be held next week for Warwick High school's seniors in the school auditorium.

The baccalaureate service, with the Rev. Charles W. Jared, pastor of Pughstown Baptist church, presiding, will be conducted Sunday night at 8 o'clock.

Commencement exercises for the class of '33, with the principal address to be given by the Rev. G. W. Seidel, pastor of Royersford Brethren church, are scheduled for Tuesday night at 8:15 o'clock.

THE HIGH SCHOOL band will begin the commencement program with three numbers followed by the invocation to be given by the Rev. Clayton J. Bates.

Muriel V. Dunlap will sing a solo and Margaret E. Bauerle will play piano solo while honor essays will be delivered by Hazel M. Miller and Frederick G. Erb Jr.

A special mixed octette will sing one number, "After Graduation Day." Members are Anna M. McLeod, Joan E. Kratz, Miss Dunlap, Ruth E. Taylor, Erb, James McAfee, Rob Roy Griffith and G. Gross Painter.

After the principal address the Senior class chorus will sing two selections.

William F. Montgomery, supervising principal, will present awards, and I. Devault Chrisman, president of the school board, will climax the ceremonies by presentation of diplomas.

The Rev. Bates will conclude with a benediction.

THE BACCALAUREATE services will start with a piano solo by Patricia Kratz, a sophomore, followed by the processional hymn with the Rev. Bates leading audience singing.

The Rev. Robert W. Nelson, pastor of Nantmeal Methodist church, will deliver the invocation and Lord's Prayer and the Rev. Bates will lead another hymn.

The scripture lesson, read by the Rev. Ethelbert Yost, pastor of St. Peter's Reformed church, and a soprano solo by Miss McLeod are next.

The Rev. Bates will read announcements and lead another hymn after which the Rev. Lloyd J. Sandt, pastor of Brownback's Re-

The Women's Missionary society of the Swamp Lutheran church held its monthly meeting recently. The program was in charge of Mrs. Frank Fritz. Billy Rounk sang a solo, and there were readings by various members on the Lutheran Mission work in Liberia. The speaker for the evening was Mrs. William Solly, wife of the Rev. William Solly, pastor of the Falkner Swamp Reformed church, and a group of ladies from that church were guests of the Lutheran society. Mrs. Solly spoke on "Christian Fellowship," emphasizing the need for

world brotherhood and peace through love, rather than war. She stressed the fact that military conscription is not the answer to the problems of today, pointing out all the evils of such an act. The service was followed by a business meeting presided over by Mrs. Helen Renninger, president of the society.

Mrs. Harry E. Jones and son, Richard, spent a day in Lenark, with Mrs. Jones' son and family, Harry H. Jones.

Mr. and Mrs. Wayne Deysher and Mr. and Mrs. Allen G. Renninger attended the ladies night by Reading consistory in Rajah temple recently.

# John F. Kelius Dies; Was Former Director Of Limerick School

John F. Kelius, 74, Pottstown RD 4, husband of Clara (Scheffey) Kelius for the past 50 years and a former Limerick township school director, died last night after an illness of six months.

Death came at 8 o'clock on the farm along Route 422 where he had lived since 1901.

On October 9, 1897, he was married to Miss Scheffey, who was a neighbor of his when they lived near Fruitville. Within five years his two brothers followed his example, marrying two sisters of his wife. All three couples remained happily married until yesterday.

Mr. Kelius served as a school director for 12 years, and during his tenure was in charge of several of the little one-room schoolhouses then in use. He left this post about 24 years ago.

FOR MORE THAN 15 years, he drove a truck around the area, collecting raw milk from Limerick farmers and delivering it to the Marutins Dairy farm in Lansdale.

In addition to picking up milk, he found time to run a 100-acre farm, make frequent hikes and go hunting in the area or in the Poconos with old friends. All of these activities he continued until he was past 70 years old.

He was born in New York City, a son of the late John F. and Mary (Klink) Kelius. After living in New York and then Philadelphia, he came to the Fruitville area.

Mr. Kelius was a member of St. James Evangelical and Reformed church, Limerick.

SURVIVING, in addition to his wife, are six children: Nellie M., wife of Irwin L. Romich, 501 North Charlotte street; Mrs. Mary K. Boeder, 205 East street; Milton S., Pottstown RD 4; Martha S., wife of Glen Borneman, Royersford RD 1, and William J. Kelius, at home, who took over his father's milk business.

Also surviving are the two brothers, William, of Philadelphia, and Emil, Bridgeton, N. J.; 19 grandchildren and two great-grandchildren.

Funeral services will be held Saturday afternoon at 2 o'clock from St. James Evangelical and Reformed church. The Rev. Reed Tetsworth, pastor, will officiate, and interment will be made in Faulkner Swamp cemetery.

two hours, to be examined by a dozen neighbors and Richard Blair, deputy game warden.

Although the front wall of the garage had reached only about three feet in height, the buck made no effort to bolt from the circle of gunmen surrounding it.

THE EXAMINATION showed that it had been hit within the past five days by an auto. No bones were broken, but it had been painfully injured, Blair asserted.

Wilkinson backed this opinion and added he believed it had been frightened by the evening rush of traffic along the State highway. "It acted like something was chasing it," Wilkinson said, "and it was awful tired." He concluded it had been frightened by autos because no loose dogs were sighted or heard.

Since the buck seemed to be recovered from its injury, Blair ruled it should be turned loose. It took several healthy seats and stamps from the neighbors, but once away from the driveway, the buck "just took off," Mrs. Wilkinson reported.

During an eclipse of the sun in Siam, the people traditionally beat drums, gongs, pans and do other things to make a racket, the tradition being that a demon is swallowing the sun and must be frightened away.

## ANTI-RED BILL —

(Continued From Page One)

stretched over three days, Rep. McDowell (R-Pa.) declared that Communists have "raised half a million dollars to defeat this bill."

In the final speech, Rep. Mundt (R-S.D.) predicted that public sentiment developed by the action of the House today would produce favorable action in the Senate.

MUNDT AND Rep. Nixon (R-Calif.) wrote the bill. It contains these major provisions:

1. A blunt declaration that an international Communist movement is conspiring to set up a totalitarian dictatorship in this country through organizations it controls from abroad.

2. A definition that the Communist party in the United States is one of these foreign-controlled organizations.

3. An assertion that the Communist movement presents a "clear and present danger" to the security of the United States.

To cope with that situation, the bill would make it illegal to try in any manner to set up a foreign-controlled totalitarian dictatorship in this country or to take part in a movement to create such a dictatorship.

## DOG IS SHOT —

chased the dog until he lost it far up Route 422 toward Reading.

It was learned later that two other men, William Sandman, 503 West Buttonwood street, and David Boone, 25 West street, had been attacked, but had escaped unharmed.

After young Carl was attacked yesterday, Koser again summoned the police. This time, Borget, by sneaking around the corner of a building, was able to get close enough for a shot. One heavy slug killed the dog.

Borget, who was accompanied by Patrolman George Waycock, said the animal would be taken to the disposal plant for burial.

been done to Mr. Eppelheimer." Daly declared, just before the meeting was opened officially.

"I knew about this complaint before it came out in the paper, and it was one of the first things I was going to take up at this meeting tonight."

Daly continued, "Eppelheimer did the right thing in bringing this to the attention of the chairman of the highway committee. He went to the proper channel."

THE HIGHWAY committee chairman declared firmly that the matter was properly brought to his attention, and he disapproved of the statement by C. Roy Bush, president of council, that the matter was not mentioned at the council meeting.

Among the highway committee members, the consensus was that the Mercury's story was exaggerated, and that the water hole was, at the most, only two feet deep.

The committee members mentioned various figures as the maximum depth of the hole, and then asked borough engineer George F. Shaner, who replied:

"I don't believe it's more than two feet at the deepest point."

Carroll L. Rutter, borough solicitor, advised the committee members that the hole was not the borough's responsibility, since it was on ground belonging to The Hill, and Borough Manager Dow I. Sears informed the group of Bristol's impending action to have the ditch filled.

ACCORDING to Bristol, the existing condition grew out of orders to install sidewalks on North Keim street at State designated levels. In order to build up the banks to those levels, a cinder base had to be laid down. It blocked off a drain pipe which previously had carried the water away.

In addition to the constant fear that one of their children may be drowned, Hillcrest residents were plagued by the swarms of mosquitoes which used the swamp as a breeding ground.

Yesterday, Borough Health Officer Benjamin C. Steele said he

had received no complaints about the mosquitoes in that area. He had, Steele continued, received several complaints about the wood ticks, however.

Steel explained the ticks gathered in tall grass, strawberry, dewberry and blackberry bushes later dropping off on animals or humans. These conditions commonly obtain in moist areas. Last year, tick bites in the North Keim street area resulted in two cases of Rocky Mountain spotted fever.

## ARABS ADVANCE —

the convent as a springboard for an attack on New Gate, but withdrew from it under threat of Arab encirclement.

The foreign consular truce committee attempted today to arrange a truce for all Jerusalem, but their efforts failed.

Arab forces virtually cleared the Jews from a crescent-shaped front on three sides of the Old Walled City and drove more than half way through the Jewish quarter inside the walls.

The legion's thrust past Mount Scopus through the Sheik Jarrah quarter today knocked Jews from control of much of northeastern Jerusalem.

The American-financed Hadassah hospital and Hebrew hospital atop Mount Scopus still are ringed, however, by Haganah machinegun nests. Arab commanders said they had issued warnings to the hospital and university, neither of which flies the International Red Cross flag, that they would be shelled unless evacuated them. Arabs fired at and silenced some nests in the area today.

ever, until the end of the school term, upon a request by Allen K. Davidheiser.

Shoemaker road, leading to the Robinson Clay Products company plant—Highway Superintendent W. Earl Pottelger reported that this road had been improved recently. It was decided to grade and oil the street to keep it in usable condition.

EVANS STREET, from the Reading Railroad company bridge to South street—“We have received constant complaints about the high crown on South Evans street,” chairman Gerald J. Daly went on, “and although the patching job was badly needed after this hard winter, it only built up the crown further. My plan is still to take that crown off of there.”

Chestnut street, from Penn to Charlotte streets. — Borough Manager Dow I. Sears reported that curbs were being put in, prior to rebuilding the street, and that the deadline for repairing or replacing curbing where necessary was Aug. 1.

William F. Lamb Sr., reported on two “bad spots.” One was on the southeast corner of Hanover and Prospect streets, where heavy traffic continually tore out the corner, and Hanover at Oak street, where a deep gutter constituted “a spring-breaker for cars.”

IT WAS SUGGESTED that the curbing on the north side of the High and York streets intersection be rounded off, for less wear and tear on automobile tires.

The committee also voted to place the catch basins on Spruce street at Wilson street properly. The temporary basin now practically in the center of Spruce street came in for special condemnation.

The first part of the meeting was spent in on-the-spot inspection of two trouble spots.

First was at the corner of Prince and Glasgow streets, near Penn Village. There a minor misunderstanding about a building line and sidewalk placement was thrashed out.

SECONDLY, THE GROUP visited the underpass under the Reading Railroad company lines, leading to the new Pottstown Metal Welding company plant.

It was noted the underpass was not on borough property, and Rutter advised the councilmen that the responsibility of draining and grading the dirt roadway property was the railroad's.

After a general discussion of sewer problems in Pottstown, the group decided that two sewers—Logan and Grant streets—would be done by borough employees, while the third—running along Spruce street from Lee avenue north to Master street, and then west on Master—would be done by contract labor.

DURING THE DISCUSSION of who should build the sewers, David-

heiser and Sears pushed the suggestion that the North End job be done on a contract basis while the Logan street sewer—scheduled to start today—is in progress.

The Logan street sewer will be approximately 1000 feet long, the Spruce-Master street line 3500 feet, and the Grant street job, 1600 feet.

Attending the meeting were committee members William B. Twaddell, Daly, Davidheiser and Lamb, and borough officials Engineer George F. Shaner, Sears, Rutter and Pottelger.

THE CAR, A BIG, GRAY sedan, was taken from the garage of Ralph L. Goettman, 1121 Queen street.

Patrolman Harry Chrusch heard reports at 3 a. m. yesterday that Goettman's car was seen driving down High street, minus Goettman. Chrusch called Goettman, whose search of his unlocked garage confirmed the suspicion.

Harterline said he reported the store theft to police when he opened the store shortly before 8 a. m.

In addition to the two robberies of the “watched” store, there have been repeated attempts to break and enter. The latest occurred a week ago.

Patrolman Paul W. Bridgeham, in making his rounds, found the door leading to the store was open twice.

### Bally Fire Company Further Plans for Housing Parade

Ninety-five delegates, representing 15 fire companies of Oley Valley Fire Zone 6, heard Frank Rowe, retired battalion chief of the Philadelphia Fire department, speak at a zone meeting held in the headquarters of Good Will Fire company, Bally, recently.

Plans for the Bally housing parade, slated for Saturday, June 5, were discussed by Lawrence Christman, a member of the parade committee of Goodwill company, the host company.

Fires, with a loss totaling \$700, were reported by the Friendship Hook and Ladder company and Keystone Fire company, both of Boyertown, and Mt. Penn company. Motion pictures of a fire alarm system were shown by Allen Wunder, a former resident of Reading.

The next meeting will take place in Gibraltar on Thursday, June 17, Charles Rudy, Mt. Penn, zone president, presided.

### New Equipment Received By Friendship Company

A new Dodge "Powerwagon" chassis, to be used as an emergency truck, has been received by Friendship Hook and Ladder company, it was announced yesterday.

When completed in the shop of Boyertown Auto Body Works, Inc., the crash truck will take the place of the present vehicle, which has been in use several years.

The emergency truck carries lighting equipment, including generators, emergency pumps, fire caps and coats.

Delivery of the company's new 65-foot Seagrave aerial ladder truck was expected in the next three weeks.

### Swamp, Fagleysville Grade School Pupils To Be Transferred to Boyertown in Fall

The application of two independent school districts to send 50 pupils to Boyertown schools was approved by Boyertown board of school directors at a meeting last night in the high school.

The districts involved are Swamp, which requested permission to send about 40 pupils from grades one to eight, inclusive, to Boyertown schools, and Fagleysville, which asked permission to send between five and ten pupils to the Seventh and Eighth grades here. The local board approved the applications, and provision will be made for the pupils at the opening of the fall term in September.

A budget totaling \$236,000, based on a tax rate of 21 mills and a \$5 per capita tax was approved and will now go into effect. The 21-mill rate represents a one-mill boost over the 1947-48 levy.

THE BOARD AUTHORIZED SUPERVISING PRINCIPAL GEORGE B. SWINEHART to name Glenn and Jean Schultz as assistant recreational directors in charge of the Washington school playground this summer. Warren O. Fry is the general supervisor in charge of the high school and Washington fields.

Allen J. Minnich, professor of education, Ursinus college, will be the commencement speaker at exercises on Thursday, May 27, in the high school auditorium, it was announced by Swinehart.

Swinehart also announced the completion of dental examinations and the pre-school clinic physical examinations held in Washington school this week, and he noted that some defects found already are being corrected.

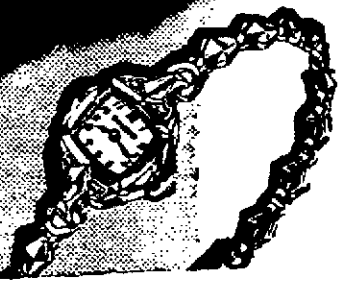

The board re-elected Charles A. Y. Davidheiser as treasurer and fixed his salary at \$400 per year and his bond at \$5000.

BACK TAXES REPORTED paid by Tax Collector Howard S.

### Woman's Club Unit Plans Final Meeting

The Literature and Drama division of the Woman's club of Boyertown will hold its final meeting of the club year Tuesday afternoon at 2 o'clock at the home of Mrs. Harry Gabel, Wren Mansion, Colebrookdale. Miss Carrie Lorah will be co-hostess.

Mrs. Warren G. Grofe and Mrs. Paul R. Hafer are in charge of the program. Mrs. Grofe, drama chairman, will present recordings of musical hits of Broadway shows. Mrs. Hafer, literature chairman, will review Mildred Jordan's most recent novel, "Asylum for the Queen."

Mrs. Jordan spoke briefly of her new novel when she addressed members of the Woman's club at their monthly meeting the past February.

### Colebrookdale PTA To Sponsor Festival

Appointment of committees by Mrs. Anna Yerk, president of the Colebrookdale Consolidated Parent-Teacher association, highlighted a special meeting of the group in the school recently.

The following were named by Mrs. Yerk: program—Mrs. Mary Tretzwey, Mrs. Mary Maggee, Mrs. Myrtle Heller and Lloyd Fritz; ways and means—Mrs. Kathryn Reigner, Mrs. Walter Erb, Mrs. Clara Wentzel and Mrs. Agnes Sherry; by-laws—Mrs. Lloyd Fritz; principal of the school, Mrs. Loretta Spade and Mrs. Sarah Ditscher; publicity—Mrs. Clarence Gresh.

The association fixed Wednesday, June 23, as the date for their strawberry and ice cream festival, scheduled to be held at the school at 7:30 p. m. Rain date is the following Friday. Local talent will appear on the program.

The recent meeting was opened by Mrs. Stauffer, the school principal, when she read a selection from Psalms. Mrs. Yerk presided.

### Washington PTA Aids Dental Fund; Officers Installed

A donation of \$25 to a dental fund established recently by Mary Grim, dental hygienist, was voted by the Washington School Parent-Teacher association at a recent meeting in the school library.

Mrs. Walton S. Rhoads was installed as president at the meeting by Mrs. A. Eugene Smith, district president of Pottstown. Other officers installed were Mrs. Raymond Pettijohn, vice president; Mrs. Landis Moyer, secretary, and Mrs. Paul B. Harner, treasurer.

Russell Renninger, a junior in the high school, played two piano solos, entitled "Fantasy in D Minor" (Mozart) and the first movement of Beethoven's "Sonata." Sandwiches and punch were served by the refreshment committee.

Mrs. Rhoads announced that the school needs a piano and that anyone who wishes to donate one may do so by calling her at 3753.

An executive board meeting will be called sometime during the Summer to lay program plans for the Fall, it was announced.

### Reading Company Denied Bus Excursion Rights

The Reading Transportation company was denied the right to transport groups by bus on special excursions when service originates in Boyertown, Bally, Bechtelsville, Hereford, Washington and Colebrookdale townships, the Public Utilities commission ruled yesterday in Harrisburg.

The ruling was made by the commission in a decision which gave the Reading bus company the right to transport groups from most points in Berks county to other points in the state.

Perkiomen Valley Bus company serves the Boyertown-Bally area.

### Philadelphia's Water Called Worst in State

PITTSBURGH, May 19 (P)—Philadelphia's water is more polluted than that of any other municipality in the state, M. F. Draemel, state secretary of forests and waters, said today.

Second rating goes to Pittsburgh, he told a Chamber of Commerce luncheon. However, he said there is a chance that Pittsburgh may take over first place, as corrective measures are under way at Philadelphia.

Draemel predicted that Pennsylvania may someday be without drinking water taken from the earth. He observed that 75 percent of the springs and shallow wells in Eastern states have failed within the last 50 years. During this period the volume of streams declined 30 to 70 percent.

### Tom Breneman Estate Is Valued at \$250,000

LOS ANGELES, May 19 (P)—The will of Tom Breneman, who conducted the popular "Breakfast in Hollywood" radio show, was admitted to probate today. He died April 28.

All the estate, valued at \$250,000, is left to his widow, Billie Bunn Breneman, former actress. Mrs. Breneman was appointed guardian of their two children, Gloria, 19, and Tom Jr., 14, as a legal step to insure their inheritance of \$10,000 each under an insurance policy.

# WSCS of Searles Methodist Church Hear Presentation of Foreign Life Stories

Five women from the Women's Society of Christian Service Tuesday night presented the story of the sufferings and hardships of women in five different countries at the regular meeting of the society in Searles Methodist church.

The women selected as their purpose for the dramatization, "The showing of the constancy of our Father in lands under terrific strain and to help us to enter into the sufferings of women of other lands and become more understanding of their problems."

Dressed in the native Netherlands costume with a blue dress, scarf and apron applied in tulips and small lace cap, Mrs. Norman Arndt told of the hardships and poverty that is the lot of the women of Holland today.

MRS. RAYMOND STEVENS told of the life of Lisette Marland of France as she carried the blue, white and red flag of that country. She wore a dress consisting of blue skirt, yellow blouse topped with a blue jacket.

Attired in a green and white flowing gown with black laced bodice, Mrs. Harold Rahn described the life of Clara Van Dusen as she lived in the days which have followed the past war. Mrs. Harold Christman, dressed in an old English type costume presented the life of the wife of a minister in England. Her gown was of green and white floral print with which she wore a green bonnet.

Mrs. William Hines chose the life of Librada Javalera, a native Philippine, for her portion of the program. She chose the colors of the flag of their country for her costume using a red skirt, white blouse and blue bodice.

DURING THE PRESENTATION of the stories, appropriate music as a background was furnished by Mrs. James Machette. Upon the conclusion of the story each woman placed a flag from that country in the holder upon the worship shrine which was banked on either side with lighted tapers.

During the business session at which Mrs. Walter Morris, presided, reports were given from the Conference of the Methodists churches in Philadelphia. At that time the local society presented a gift of money to Miss Alice Boyer of the Lancaster Corn wall Methodist church, who will leave for Japan in August, to assist Miss Helen Moore in the school at Nagasaki.

REPORTS WERE also given on the Quadrant conference in Boston by Mrs. Daniel Drumheller. Delegates will be sent to camp IN-a-hah, a missionary institute, July 10-17 and a delegate to the Pocomo Mountain plateau.

The Ruth circle was in charge of the program for the meeting with the Sarah circle in charge of refreshments.

The members decided to hold a picnic June 15 at the home of Mrs. Horace Ebert, 778 Evans street, with the Young People in charge of the program.

## Miss Doris Drumheller Surprised With Shower

A surprise miscellaneous shower was given in honor of Miss Doris Drumheller Tuesday night in the home of Mrs. Gordon Miller and Mrs. Arthur Ziebart, Limerick.

The gifts for the bride-elect were attractively arranged in a large basket decorated in green and white. The basket was tilted and as the bride-to-be took each gift out she had to untie it from the streamer which fell from a large white wedding bell. At a late hour a buffet luncheon was served.

Those attending were: Mrs. Earl Schlechter, Mrs. George Landis, Mrs. Norman Grubb, Mrs. George Landis, Mrs. Harold Drumheller, Miss Janet Drumheller, Mrs. Harold Lemke, Mrs. Jacob Miller, Mrs. Warren Wade, Mrs. Ralph Esser, Mrs. John Renninger, Mrs. Leonard Drumheller, Mrs. Sterling Schlechter, Miss Barbara Oxenford, Mrs. Daniel Bowes, Mrs. Sallie Poley, Mrs. Miller, Mrs. Ziebart, Master Robert Miller, Miss LaVerna Miller, and the Misses Shirley and Nancy Drumheller.

MARRIAGE LICENSES Application for a marriage license was made at the Montgomery county courthouse, Norristown by: Donald D. Reifsnnyder, 1313 Queen street, and Claire E. Walsh, 1307 Queen street.

## Annual Banquet Held By Women's Guild In Reformed Chapel

Around ten attractively decorated tables, over 100 women gathered to attend the annual banquet of the Women's Guild of Zion's Reformed church last night in the chapel.

Gaily colored May poles with brilliant streamers winding into the chubby hands of baby dolls were used as centerpieces. Planking the May poles were a host of Spring flowers including columbine, bridal wreaths and tulips, while many colored May baskets filled with candy were used as favors.

Highlighting the evening was a Truth or Consequences program with Mr. Leonard Huff acting as master of ceremonies. Members who paid the consequences were Mrs. Mary Huff, Mrs. Wayne Kehl, Mrs. Robert Weidner, Miss Millie Mertz, Mrs. Charles Schwoyer, Mrs. Sarah Hausman and Mrs. Stanley Emery.

Participating also on the program was Miss Edith Nagle, who gave several selections on the violin, accompanied by Mrs. Paul Moyer and Mrs. Howard Horrocks who sang two vocal selections accompanied by Mrs. Ralph Rutter. The Rev. H. A. Kosman brought greetings to the group.

Committees in charge of preparations for the supper included Mrs. Edwin Jacob, Mrs. Irwin Slout, Mrs. Harold Scheffer, Mrs. Wilson Weidner, Mrs. Charles Huff and Mrs. Mary Huff; reservations, Mrs. Frank Witmyer.

## Seen In Bermuda

A fabulous hat is in order when your best beau invites you for a luncheon at the country club, to the races, or is escorting you to a wedding reception or a garden party. Photographed at Bermuda, to show how right such a hat would be at a resort is this Braagaard creation, a forward swooping bonnet of white balbunial straw. It has an edging of frothy white mink and is accented by pale pink silk roses, which adds up to a pretty exciting combination.

## Mother's Club Group To Stage Minstrel Tonight at Church

Tonight at 8 o'clock the "Meal Time Minstrels" will be presented in the Sunday school rooms of St. Paul's Reformed church by the Mother's club of that church.

This show varies greatly from the usual type of minstrels inasmuch as there will be no black face comedienne. The scene is laid in a restaurant with the uniformed waitresses as the endmen, while the chorus will be composed of the customers in the restaurant.

The committee in charge of the production is Mrs. Frank Gross, Mrs. James Waters, Mrs. Harry Overholtzer, Mrs. Fred Spielman and Mrs. George Rhoads.

Mrs. James Waters, Mrs. Donald Sands, Mrs. Robert Herringer, Mrs. Oliver Rhoads, Mrs. Edward Heimback and Mrs. Lunwood Shaner comprise the end men, while the chorus is composed of Mrs. George Rhoads, Mrs. Robert Weller, Mrs. Dale March, Mrs. George Good, Mrs. Albert Redman, Mrs. Robert Peck and Mrs. Sanford Bechtel. The pianist is Mrs. Frank Gross.

DURING THE olio a monolog will be given by Mrs. Harry Overholtzer; a skit by Mrs. Michael Schmidt and Mrs. Howard Ruml, and a pantomime by Mrs. Spielman and Mrs. Austin Sunstrom.

Members of the stage committee, who have erected a platform and arranged foot lights are: The Messrs Edward Heimback, Austin Sunstrom, William Witmyer, Sanford Bechtel, Frank Gross, James Waters, Robert Herringer and George Good.

Mrs. William Witmyer and Mrs. Frank Geiser are co-chairmen of the ticket committee while members of the property committee are Mrs. Robert Herringer, Mrs. Donald Sands, Mrs. George Good and Mrs. Howard Ruml.

Piano music between the parts of the minstrel will be furnished by Mrs. Robert Weller and Mrs. Gross.

# Capacity Audience Hears Recital Held By Mauger Students

A capacity audience enjoyed a piano recital by the pupils of Mrs. Albert K. Mauger last night in Library Hall. The students were assisted by Miss Patricia Born, reader, and Miss Vivian Emery, marimba player.

For many of the youngsters this was their first public appearance, and the majority made their debut with all the grace and poise that can be expected of a child on "opening night."

Exceptionally well received was DeBussey's, "Clair de Lune," expertly played by Paul Stofko. Other numbers which were enjoyed by the audience were, "All Aboard," by Aaron; "Dance of the Dewdrops," by Lonka; "The Dancing Doll," by Poldini; "Sonata Pathétique," by Beethoven, and "Dance of the Reed Flutes," by Tschakowsky.

Miss Emery, a student of Miss Myrna Fry, was accompanied by her teacher when she played the lovely Haskell W. Harr arrangement of "Santa Lucia" on the marimba. Patricia Born, the reader, selected "Mother Goes Visiting" for her recitation.

Other pupils participating were: Nancy and Marlene Berkey, Dorothy Schaeffer, Richard Smale, Carol Ann Young, Sally Ann Sandt, Doris Burk, Kathryn Fuertsch, Virginia Yocom, Mary Rohrbach, Shirley Kirk, Marlene Guest, David Harner, Marie Garner, Joann Smith, Carol Ann Swartzkopf, Mary Ann Smale, Ronald Publ, Margaret Levensgood, Claire Bush, Dorothy Stauffer, Marilyn Berriker, Kenneth Kirk, Doris Shellenberger and William Garrow.

# Bride-to-Be Honored At Miscellaneous Shower

The Misses Naomi Hunsinger and Mary Guida entertained at a shower recently in honor of Miss Gladys Ecker, who will be married to Mr. William McCann, June 5, at the Hunsinger home, 543 Spruce street. Miss Ecker is the daughter of Mr. and Mrs. Wayne Ecker, Manatwiny street, while Mr. McCann resides at 343 Chestnut street.

The bride-to-be was seated under a large pink, white and blue umbrella in the center of the room to cut her gifts from streamers of the same color attached to the umbrella.

The centerpiece of the buffet luncheon table was of pink and white carnations with baby breath, while streamers of blue, pink and white were attached to the favors.

Those attending were: Miss Mary Levensgood, Miss Kathryn Fisher, Miss Margaret Spielman, Miss Mary Pink, Miss Betty Temple, Miss Emma Hunsinger, Miss Nancy Schaffer, Mrs. Julian Ecker, Mrs. Hannah Hunsicker, Mrs. Gladys Weikel and Mrs. Dorothy McCann.

# Barbara's Heir

Miss Esther Renninger spent the weekend with Miss Jane Daub. The Misses Martha Jean Hettrick and Edith Stepp, students at Pottstown Senior High school, spent several days at the Hotel Roosevelt, Washington, D. C., where they participated in the national drill meet.

Miss Betty Ann Stepp spent the weekend with Mr. and Mrs. Albert Stepp of Royersford.

Betty Lee Kulp spent the weekend with Mr. and Mrs. Merle Barthel, of Pottstown Landing.

Mrs. Frances Wenzel entertained Mr. and Mrs. James Clee of Philadelphia.

Mr. and Mrs. Warren Ford and daughters, Judith Ann and Kathy, of Shillington, and Mr. and Mrs. Joseph Krezdorne and daughter, Jacqueline and son, Joseph, of Wyomissing Heights, visited the Rev. and Mrs. Alton P. Albright.

The following villagers are observing their birthdays this week: Mrs. Larry Stauffer, William Fedyk Jr., Roy Schurr, William Putt and Mrs. Martin Friedman.

The Cancer Crusade has reached a total of \$262.82. Mrs. L. K. McMann and Mr. Charles Shoup acted as captains of the village and surrounding territory.

Miss Jane Daub is attending the Bell Telephone training school in Norristown.

One hundred sixty-eight persons enjoyed an evening's outing at Ringing Rocks skating rink. The party was sponsored by the Young Peoples' Memorial Sunday School class of Linfield Reformed church. Mrs. John Loral and daughter, Cheryl Lynne, returned home from Reading hospital.

Miss S. Clyde Miller is convalescing at home after having been a patient in the Memorial hospital, Pottstown.

Mr. and Mrs. Lee Schurr and Mr. and Mrs. Paul Copenhaver attended the funeral of the late David Frantz at Prynston, Berks county.

and Mrs. Clarence Miller, received top honors at the recent collie show at Lancaster.

The annual mother-daughter banquet of Linfield Reformed church was held at the Washington House, near Bechtelsville, with the daughters as hostesses. The tables were beautifully decorated with pink candles, lilacs and daffodils. Gala mint bags containing the daughters' names were given to each mother.

The daughters received linen handkerchiefs and corsages of sweet peas in which were hidden the names of the mothers. Miss Bobbie Gauger was toastmistress. Mrs. Charles Solinger, Miss Jane Daub, Miss Ruth Strohm, Mrs. Frank Ruml, Mrs. Howard Ruml, Miss Mary Strohm, Mrs. John Wilson participated in the program.

Mrs. Hattie Steffy was the oldest mother present. Mrs. John Bauer was the mother of the largest family. The following members of the Girls' club presented the playlet "School Days": Mrs. Robert Miller, Mrs. Ernest Leidenberger, Mary Jane Strohm, Mrs. Clarence Miller, Mrs. Samuel Bear, Bobbie Gauger, Ruth Strohm, Mrs. Darwin Rayson, Mrs. Carl Leidenberger, Mrs. Grant Strohm and Jane Daub. Seventy-eight were present.

The following young people from Linfield received outstanding syndical recognition in the annual stewardship essay and poster contest sponsored by the Evangelical and Reformed denomination: posters—Robert McMann, Sylvia Daub and Jonathan Albright; essay—Jane Daub. The works of these prize winners will be sent on to national judges.

## BARCLAY ON BRIDGE

By SHEPARD BARCLAY

A Time to Be Hogg  
CUPIDITY, if properly applied, is an important tool in the kitbag of the fine bridge player. It is not unsportsmanlike for him to use it, when the chance is offered. Part of the fun of the game lies in the fact that a good opponent uses the same weapon against him and he then gets his opportunity later to retaliate. One spot for its use comes when the bidding has offered you an option between two courses of action—one to go ahead with a contract which your own side can surely make, the other to double the opponents and collect a penalty. See the choice promising the larger number of points is no more than plain common sense.

North and South, however, had sold their birthright for a mess of pottage. In a duplicate pair tournament, in which edging out another pair just a bit can be important, it was especially incumbent on them to do the best they could. North should have been able to estimate—as players in similar positions at other tables did—that his side could make a game. South's came into the bidding at the height of three indicated lots of playing tricks at clubs, also possibly at No Trumps.

Where North went on over the 4-Spades into 5-Clubs, the contract was easy, despite the toughest possible lead, the singleton club to the A. Besides that, South lost only one trick in diamonds, so made the game right on the head. Just notice also what might have happened in a 4-No Trumps contract, depending on what was led and how the ensuing play developed.

That contract was set exactly three tricks, for a score of 600 by North and South. The defenders got two tricks in trumps, three in spades and one in diamonds.

# 'X-Ray Telescope' Developed as Aid In Medical Research

NEW YORK, May 19 (AP) — An "X-ray telescope" announced today promises to give doctors living movies, telling scores of things about the human body that they couldn't see before.

In effect, it nearly brings sunlight into the human body. It can make X-ray images on a fluorescent screen 500 times brighter than they now are, Westinghouse research laboratories scientists said. It was developed by Dr. John W. Coltman, 32-year-old physicist.

This tremendous brightness is the exciting development, because it shows so much more detail about internal organs. Dr. W. Edward Chamberlain, Philadelphia physician who suggested the idea, said it would make it far easier to spot cancer and tuberculosis quickly, to study the human heart in action, and even to diagnose kidney troubles early.

HE PREDICTED THE bright pictures would make mass surveys for cancer feasible, and that doctors eventually may look inside every patient in hospitals to help learn what's wrong.

A kind of telescope tube does the brightness trick. It's a telescope in the sense that it magnifies brightness.

The tube picks up the X-rays after they pass through the body, and turns them into light rays and then into electrons inside the tube. The electrons then are hurled across the tube at a speed of 5000 miles per second. They hit a fluorescent screen, and hit so hard that they make a much brighter image.

At present, X-rays themselves hit the screen being viewed by the doctor. But the image is dim. The image of the average human abdomen as it now appears has been estimated as 30,000 times dimmer than a piece of white paper viewed under a reading lamp.

DR. COLTMAN SAID the new tube would enable physicians to make out objects separated by as little as five-thousandths of an inch. X-ray photographs show considerable detail, but hundreds are needed to show the body organs in action.

The tube actually developed so far boosts the brightness only five times, but Coltman said research has shown how to increase it 500 times. It will be many months before the tubes can be engineered and produced. They will be used as attachments to present X-ray fluoroscopic equipment.

Coltman said other advantages would be less exposure time to X-rays, which can be harmful in large strength; less time for an examination, and less time for the physicians' eyes to become accustomed to seeing in the dark.

## Borough Man to Explain Conditions in Turkey

Turkey and its present day aspects will be discussed by Charles Wiley, 944 Queen street, at the Rotary club meeting at the Elks home at 6:30 o'clock tonight.

Wiley, a former employee of an American oil company, spent several years in the Middle East in connection with his work.

## Pennhurst School Pageant Is Planned for Today

The United Carnival, Pennhurst State school's May pageant, will be held on the lawn in front of the administration building at 2:30 o'clock this afternoon. Katherine Morris, principal, announced yesterday.

Miss Morris said the festival will be marked by the crowning of the May queen and a program of band selections.

Mrs. Biruta Zimmerman, physical director, and Paul Houser, band director, will have charge of the program.

As in past years, the May pageant at the school is open to the public, Miss Morris declared.

It took seven days and nights for the army of Kerkas, the Persian general, to cross the Hellespont in 480 B. C. Distance covered: seven-eighths of a mile.

## SCHWENKVILLE

Miss Mary C. Moser, corr., Russell Keyser, delivery. Phone Schwenkville 3358.

The Ivy Troop Girl Scouts held an outdoor meeting at Camp Ivy at which there was patrol cooking followed by a nature walk through the woods.

At the morning services on Sunday in the Jerusalem Lutheran church, the following adults became members: by baptism, Arlo Slemmer, June Slemmer and Joy Tyson; by confirmation, Joseph Klock, John Fisher and Ruth Schauder; and by letter of transfer, Mr. and Mrs. Musselman and Mrs. Stanley Slemmer. During the services the church choir sang, "Growing" and "Flowers Below and Stars Above." The Junior choir sang, "The Beatitudes" and the Senior choir sang the "Te Deum Laudamus," which was the first song of the church. Next Sunday the new heating system and other renovations of the church will be dedicated.

Royal F. Spatz has sold his home to residents of Philadelphia. Wallace Drechsler, Zieglerville, and R. F. Spatz visited George Moser and daughter on Sunday.

# MERCER MEETS SANDOR KOVACS IN READING RING

Reading Star Winds Up Second Year as Pro; Macricostas in Action

READING, May 19 — Marvin Mercer, spectacular Reading wrestling ace, winds up his second year of professional grappling Thursday night when he tackles tough Sandor Kovacs, of Hungary, in the main event at the Reading Armory.

Mercer, hailed as one of the bright young stars in the post-war wrestling world, made his pro start here May 22, 1946, when he filled in as a substitute when other matmen were delayed by a railroad strike. Since that time, Marvin has battled his way to the front ranks of the wrestling game, and has been defeated only nine times in 50 matches at the local Armory.

George Macricostas, the Golden Greek, meets Andy Meixner, of New York, in the semis. Meixner, a well-known matman here, hasn't shown in Reading for several seasons, but should be plenty of opposition for the popular Macricostas, who last week held the French champion, Francois Miquett, to a draw.

## Hogan, Hamilton Card 66s in PGA Tourney

ST. LOUIS, May 19 (P)—Two of golf's "iron men," little Ben Hogan of Hershey, Pa., and the sturdier Bob Hamilton of Landover, Md., chipped out a pair of 66s today to lead the way in the first 18-hole qualifying round of the 30th Professional Golfers' Association championship.

By virtue of brilliant short iron play and putting, Hogan and Hamilton slashed five strokes off par 71 for the 6467 yard course at the Norwood Hills Country club.

This pair of former champions—Hamilton won in 1944 and Hogan in 1946—held only a one-stroke lead after the opening round, as the short, tricky course took quite a beating from the 133 starters.

## Warwick Spanks North Coventry In Non-Loop Tilt by 16-7 Score

Warwick High, Bi-County league champion, used eight base hits, ten bases on balls and eight errors to score at least one run in every inning yesterday afternoon to defeat North Coventry, 16-7, at Warwick in a non-league game.

For three innings Norco kept pace with the Warwick nine, but then the home team started to pull away. Three runs in the fourth inning increased Warwick's lead to five runs and five runs in the fifth inning made it 15-5.

Norco scored once in the sixth, but Warwick came back in the same inning to match that lone run. The visitors then managed to touch Jim McAfee for another run in the seventh, but were still far from getting close.

Wayne Maurer and Rod Haas collected five of Norco's seven hits, two of Haas' hits going for extra bases. He smacked a double and home run in four appearances at the plate.

Bill McAfee led the Warwick attack against two North Coventry

pitchers. He collected three base hits in five trips to the plate, one of his hits going for a triple. Bill Bayer clouted a home run for his only hit in five times at bat.

## Maria Assunta Loses, 6-5, To West Pottsgrove Foe

West Pottsgrove Rod and Gun club salvaged a single run in the bottom half of the seventh inning with two out to defeat Maria Assunta, 6-5, last night in a Pottstown City-Industrial softball league game on Haiston's field.

The West Pottsgrove nine held the advantage from the start, scoring three runs in the first inning. After the West Pottsgrover had built up a 5-4 lead, Maria Assunta scored three times in the fifth to tie it at 5-5.

In the bottom of the seventh, Johnny Radish walked. Ferranti and Mamerella went out,

but Bill Breslawski walked. Al Panfilie then beat out an infield hit to score Radish with the winning run.

It was the first defeat of the year for Maria Assunta, who defeated El Chico by an 18-7 score Tuesday night.

Guy Sperat started on the mound for Maria Assunta, but was taken out in favor of Chick Boughter after walking nine batters. Boughter was charged with the defeat.

## TROJANS DOWN BERWYN HERE BY 6-2 SCORE

Snyder Drives in 4 Runs With Home Run and Triple; Rhoads Winning Pitcher

Johnny Snyder's big bat carried Pottstown High to a 6-2 triumph over Berwyn High on Franklin Field yesterday afternoon and enabled the Trojans to climb into a tie for first place in Section Three of the Philadelphia Suburban conference.

Snyder, big Trojan catcher, smacked a home run and a triple to right field—driving in four of Pottstown's six runs. It was his second home run of the season, the first one coming against Reading at George Field in Reading.

The Trojans are now sporting the same record as West Chester, six victories and one defeat. The two teams meet in a crucial game tomorrow afternoon, but West Chester can go ahead of Pottstown today with a victory over Phoenixville at Phoenixville.

DOUG RHOADS went the distance for Pottstown, scattering eight Berwyn hits over the seven inning game. Bob Pollard caused Rhoads the most trouble by smacking a single, double and triple in the three appearances at the plate. The big Negro third baseman drove in Berwyn's first run in the third and set up the second run with a double in the seventh.

The Trojans jumped into an early 3-0 lead in the first inning on Snyder's home run into deep right field with two mates aboard. Carl Supplee had reached first base on an error and George Holinjak had singled before Snyder's clout.

After Berwyn made it 3-1 in the third, Pottstown put singles by Bill Mignona, Brower Yerger and Carl Supplee together in the fourth inning for another run.

In the sixth inning, Supplee's double, Holinjak's single and Snyder's long triple to right accounted for two more runs and gave the Trojans a 6-1 advantage.

Berwyn added its second run in the next inning on a single, double and an infield out.

## Bethlehem Tops PHS Trackmen By 74-43 Score

A strong Bethlehem High track team, District 11 champion, swept nine of 13 events yesterday afternoon to score an easy 74-43 victory over Pottstown High's Trojans at Bethlehem.

The Trojans were only able to win four events, but managed to pick up a lot of points with seconds and thirds.

Bethlehem, who won the District 11 title only a week ago, blanked the Trojans in two events, the 440-yard dash and the 220-yard dash. The Trojans failed to place in those two events.

Winners for Pottstown were Nick Dimm, Harold Begel, Lou Rogers and Dave Williams. Summary:

## GIANTS DEFEAT CINCINNATI REDS BY 5-0 SCORE

Larry Jansen Hurls 7-Hit Shutout; Rigney, Lockman Hit Homers

NEW YORK, May 19 (P)—Larry Jansen hurled the New York Giants to a 5-0 victory over the cellar-dwelling Cincinnati Reds today.

Jansen, in registering his fourth triumph and first shutout of the season, allowed seven hits but was in trouble in only one inning, the sixth. With runners on second and third and two out as a result of singles by Augie Galan and Hank Sauer, and an error by Jack Lohrke, Jansen forced Babe Young to pop weakly to shortstop Buddy Kerr.

The Giants collected only eight hits off Kent Peterson and Bud Lively, but they included home runs by Whitey Lockman and Billy Rigney. Lockman got his in the first inning, his third of the season, with the bases empty. Rigney hit his in the sixth with one mate aboard.

The two four-baggers brought the Giants' home run total to 24 in 23 games.

A brilliant two-hit pitching job by Gerry Claycomb and a late rally that accounted for all the runs in the ball game gave Collegeville High an 11-0 victory over Schwenkville yesterday afternoon and put the Colonels in a tie with Pennsburg for the league championship.

The two teams now have to wait for East Greenville to finish its season since the Greenies also have a chance to finish in a tie for the title. The Greenies must play two more games and must win both of them.

Coach Mike Hader of Schwenkville announced that the Bluebirds have protested the game because of an umpire's decision on a balk by a Schwenkville pitcher. Hader protested that the pitcher did not commit the balk while the umpire said he did.

Claycomb probably pitched the best game of his career yesterday as he limited Schwenkville to two hits. He was never in serious trouble and coasted with ease once the Colonels jumped in front.

For three innings the two teams played scoreless ball, but

Collegeville made 11 2-0 with a pair of runs in the fourth and made it 9-0 with seven big markers in the fifth.

The Colonels then added two more tallies in the sixth frame to complete the scoring.

Four pitchers paraded to the mound for Schwenkville with Ernie Gaugler, the starter, being charged with the defeat. He went the first four full innings before he was knocked from the box during Collegeville's big rally in the fifth.

## Home Runs by Mullin and Wertz Give Tigers 4-1 Win Over Bosox

DETROIT, May 19 (P)—Hal Newhouser returned to form today with home run backing at the plate and double play support in the field as the Detroit Tigers took their second straight decision from the Boston Red Sox, 4 to 1.

Newhouser, shelled from the box his past five times out, scattered four hits to take his first victory since opening day.

It was the first time this year the Tigers' No. 1 lefthander has approached his brilliant form of 1944-46, when he won 80 games in three seasons.

ALL FOUR TIGER runs scored on homers, one by Pat Mullin in the fourth with nobody on base and

another by Vic Wertz in the ninth with two men aboard. Neil Berry and Mullin had singled before Wertz lifted his game-winning clout into the press box (third) deck in right field with two men out in the ninth.

# A's Lose to Indians Again, 6-1

CLEVELAND, May 19 (AP)—Bob Feller lost a shutout in the ninth inning tonight but turned in a brilliant three-hitter as the Cleveland Indians remained in first place by defeating the Philadelphia Athletics, 6 to 1, before 33,871.

The Tribe fireballer, who notched his fifth win against two losses, entered the ninth inning with a one-hit shutout. Buddy Koser, Feller's former battery mate, got a single in the third inning on a smash which third baseman Ken Keltner knocked down, but his throw to first was too late to nip Koser. Pete Suder obtained the Athletics' second hit when he singled to open the ninth. Pinch-hitter Don White flied out, but Eddie Joost doubled to send Suder across the plate.

FELLER RETIRED the side in order in seven of the nine innings. The Indians took a one-run lead in the third when Jim Hegan singled, was sacrificed to second and scored on Thurman Tucker's single.

The Indians clinched the game in the fifth when 11 batters went to the plate and blasted starter Bill Dietrich off the mound with a five-run outburst.

The attack included singles by Dale Mitchell, Hegan, Manager Lou Boudreau, Joe Gordon and Keltner and a double by Tucker.

# WYNN PITCHES, BATS SENATORS TO 4-1 VICTORY

Drives in First Two Washington Runs to Wipe Out Chicago Lead

CHICAGO, May 19 (AP)—Pitcher Early Wynn used his bat today in helping the Washington Senators hand the Chicago White Sox a 4-1 licking for a sweep of the two game series. Wynn's pinch single in the seventh inning scored the Senator's first two runs off Joe Haynes to wipe out a 1-0 Chicago edge.

Chicago scored its only run in the fourth. Luke Appling, who collected three of the White Sox seven hits off Walt Masterson, singled. He stopped at third on Ralph Hodgins' double and scored on Aaron Robinson's fly.

15,978 Persons Watch Vern Bickford Beat Sewell in Pitching Duel

BOSTON, May 19 (AP)—Vern Bickford right-handed pitcher who became Boston property on the toss of a coin two seasons ago, tonight pitched the Braves to a 4-1 victory over the Pittsburgh Pirates. It was the first loss of the season for the Braves' Rip Sewell who had been undefeated in three starts. A paid audience of 15,978 sat through a cool evening to see the Braves win their first victory of the season over Pittsburgh.

# Norco Lassies Top Spring City, 19-18

Dawn Cressy's triple and an error scored the run that gave Norco's girls softball team a 19-18 win over Spring City High yesterday afternoon at Norco.

Cressy scored the winning run in the bottom half of the seventh inning with two out. The victory avenged a defeat at the hands of Spring City earlier in the season, 8-2 at Spring City.

Edith Fry clouted two home runs and Gloria Pinkbinder hit one for Spring City.

# MUSIAL LEADS ST. LOUIS NINE TO 14-7 WIN

Cardinal Star Gets Five Straight Hits Against Brooklyn in Night Tilt

BROOKLYN, May 19 (AP)—Paired by Stan Musial's five hits the league-leading St. Louis Cardinals battered Brooklyn tonight, 14-7, for their fifth straight victory.

Musial showed the way with a triple, double and three singles and a walk for a perfect night.

A chilled capacity crowd of 32,888 saw the Brooks lose their fourth straight at home after knocking out starter Al Brazie in a four-run first inning.

Ted Wilks, who came in with the Cards trailing in the third, received credit for the win. The loss went to Clyde King, who replaced starter Rex Barney in the third.

# Doehler's Blank Quoit Club By 3-0; Two Players Hurt

Five bawls on balls by Dave Stavrosky in the fourth inning gave Doehler's two runs and started the Pottstown Quoit Club in a City-Industrial league game on Franklin Field last night.

Stavrosky left the game in favor of Dick Bechtel in the fourth. A single and two errors gave Doehler's another run in the sixth.

Two Quoit club players were injured in the fourth inning and were taken to the Pottstown hospital.

Dick Bechtel suffered a bad dislocation and possible fracture of his left ankle, sliding into second base on an attempted steal. A cast was put on his leg last night and X-rays will be taken today.

A few moments after Bechtel was removed from the field, Charles Goheen was hit on the head by one of Johnny Brey's fastballs. He was knocked unconscious and was taken to the hospital where he was treated and discharged. He suffered a mild concussion.

# Trinity Reformed Scores 17-11 Win Over St. Peter's

Trinity Reformed, defending Sunday School league champions, rallied for seven runs in the third inning and then went on to defeat St. Peter's by a 17-11 score in a slugfest, on Swinehart field last night.

The victors pounded right-handed Bob Spacht for a total of 13 base hits during the game, four of which went for extra bases.

Hughes went the distance for Trinity, allowing eight base hits—including two doubles and a triple.

## Bernville Legislator To Be Speaker at Norco Graduation

The Rev. Frank W. Ruth, of Bernville, will be the principal speaker at the commencement program of North Coventry High school, to be held Wednesday, June 2, at 8:15 p. m. It was announced yesterday by Supervising Principal Paul H. Grim.

He will discuss "Pennsylvania Moves Ahead," as part of the night's theme, "Pennsylvania Moves Ahead."

The Rev. Ruth has served as State senator since 1936. Between 1931 and 1936 he served as a representative in the State Assembly, and in 1935, was majority leader. He now is a member of the Senate education committee.

In addition to serving as school director in Bernville, the Rev. Ruth has been interested in numerous organizations, including the Patriotic Order of Sons of America, the Order of Independent Americans, the Sons of Veterans and the Odd Fellows.

The speaker, born in Quakertown, received his ministerial training in the Perkins seminary and at the Central Theological seminary.

Student honor speakers and their topics will be:

Mary Nadine Davidheiser, vocational; "Political Growth of the Commonwealth"; Phyllis M. Dersch, commercial; "The Economic Growth of Pennsylvania"; and Phyllis Naomi, Kulp, academic, "The Social and Cultural Life of Pennsylvania."

The report, read by the Rev. Dr. Charles W. Kito, superintendent of the North district, was heard by 800 ministerial and lay members attending the conference.

"In the matter of war on the liquor traffic our church is more aggressive and eager to go forward than it has been since the repeal of the 18th amendment," the report said.

Commenting on candidates for the ministry the report added: "No organization is stronger than its leadership."

## Burgess, Councilmen Hear Pension Proposals

Burgess William A. Griffith and Councilmen J. Max Creswell, West ward, and Daniel C. Kern, Fifth ward, heard a proposal for pensions for borough employees, at last night's meeting of the Borough association of Chester county, held at Honeybrook.

Leading the discussion on possible pension plans was Norman Young, borough manager of Phoenixville, and secretary of the Chester county organization.

Julian W. Barnard, Norristown attorney, spoke on the history of political democracy, beginning with its inception in ancient Greece and tracing its progress through the United States.

Eighty-two persons attended the borough association gathering.

## State May Adopt Permanent Auto Tag

HARRISBURG, May 19 (AP) — A permanent auto license plate with a removable tab to be renewed each year may be in store for Pennsylvania motorists.

A legislative committee studying revision of the State motor vehicle code adopted the idea today and said it would save the Commonwealth up to \$500,000 a year.

The recommendation now goes to the general assembly's joint State government commission for possible presentation to the 1949 legislature.

At the same time, the unit rejected as unfeasible a plan to require compulsory re-examination of all motorists every three years.

"We were afraid there isn't enough machinery to take care of such a plan," said Rep. Samuel Dennison (R-Jefferson), chairman of the committee.

He pointed out that in Pennsylvania it would require retesting a million drivers each year. The Keystone state has more than 3,000,000 licensed motorists.

## Underwriters to Attend Convention in Allentown

Last night's meeting of the Pottstown association of Life Underwriters was canceled, Walter B. McClennen, secretary, said, since many members will be attending the state convention of Life underwriters in Allentown tomorrow, the second day of the three-day meeting. That session will replace the local meeting.

## Escaped Prisoners Captured in Attic

HUNTINGDON, May 19 (AP) — Police recaptured today three or five prisoners who escaped last night from the Huntingdon county jail after sawing the bars from a second floor washroom window.

William J. Rider, 22, of Huntingdon, and Gerald W. Iser, 18, of Ridleysburg, were the latest of the five to be apprehended.

State Policeman Robert Daley said the two were captured in the attic of a house just two miles from the jail.

Oscar A. McKinney, 27, of Washington, D. C., was the first of the group to be picked up.

He was caught early today while trying to hitch-hike a ride toward Bedford.

None of the men offered resistance when recaptured, the policeman said.

Police still are searching for Joseph Contrillo, 22, of Central City, and Clarence N. Knable, 41, of Heston.

The five men effected their escape last night after overpowering a turnkey and locking him in a cell

With the aid of a key taken from the turnkey, Thomas Franklin, 40, the men obtained a poker from a furnace room and pried the bars from a washroom window. Daley said the bars apparently had been partly sawed off at an earlier date. The men then dropped to the jail

yard and scaled a 17-foot yard wall with the aid of planks and rope made of sheet.

Myrrh, one of the gifts of the Wise Men to the Christ Child, is still used as a drug in the United States.
